Those of our merchants who wish to advertise their Holiday Goods can have their Christmas cards published in the Gazette from now till Christmas on the most reasonable terms.

Our citizens as well as our country subscribers should consult the columns of the Gazette carefully before making their Christmas purchases. Our merchants, whose advertisements appear daily, have large and varied assortments of goods, and are offering them on most reasonable terms.

Weather Probabilities, December 20, 1880.—For the middle States threatening weather and snow, slight fall in temperature, falling followed by rising barometer, and winds generally from northeast to northwest.

SALE OF THE VIRGINIA MIDLAND RAILROAD.—Promptly at twelve o'clock to day Hon. John S. Barbour, commissioner of sale of the Virginia Midland Railroad, read the advertisement, and offered for sale, at the front entrance of the market place, on the right street, the Washington City, Virginia Midland and Great Southern Railroad, to quite a large crowd of interested persons. He stated that the railroad was a valuable property, and that he was authorized by a decree of the Circuit Court, by authority of the said court, to make and execute a deed with all its privileges and franchises for sale to the highest bidder. W. W. Gordon, ex. of Richmond, then read the following paper:

"Albert L. Wilson, of the State of Pennsylvania, through his counsel, has brought suit for himself and others in the U. S. Circuit Court for the sale of the franchise and property of the Orange and Alexandria Railroad, and for the appointment of a receiver for the same, until a sale shall be ordered by that court; and that he and those who have united, or may unite with him in the prosecution of that suit, are not bound by the sale now about to be made by Commissioner Barbour, nor by the proceedings of the Circuit Court of Alexandria under which the sale was then opened by a bid of \$1,000,000 from John W. Burke, ex. of this city."

Major I. H. Carrington, of Richmond, said he had a paper to present, which he read, setting forth that he protested in the name of Frederick E. Gibert, on behalf of counsel, against the property being sold unless it brought an amount sufficient to pay the entire mortgage debt, according to the terms of the decree and advertisement. After the reading of the paper the Commissioner proceeded with the sale, the next bid being \$5,000,000 by R. T. Baldwin, ex. Mr. Burke then bid \$100,000 better, and Mr. Baldwin \$100,000 more, and so the bids continued till Mr. Baldwin bid \$5,000,000, when the bidding ceased and the road and franchises were knocked down to Messrs R. T. Baldwin, J. W. Gordon and Robt. Carrington, trustees, for the syndicate of creditors of the road. The Circuit Court of the city will meet on the 23rd of this month, and it is expected the sale will be confirmed and the company reorganized. d. Among the prominent gentlemen present at the sale, besides those already mentioned, were James Alfred Jones, ex. of Richmond; Judge W. J. Robertson, of Charlottesville; Major C. M. Blackford, of Lynchburg; Gen. W. H. Payne, of Warrenton; Hon. R. H. Crenshaw, of Annapolis; Major James W. Green, of Culpeper; Col. W. E. Simms, of Mississippi county; and Capt. H. Shepherd, of Fauquier. The bar of this city was well represented.

ANOTHER RECEIVER ASKED FOR.—We learn from the Richmond papers that Albert L. Wilson, of Pennsylvania, by Ould & Carrington and W. W. Gordon, his attorneys, has entered suit in the Circuit Court of the United States on his own account and for all who may come in and bear their due proportion of the necessary expenses of the suit, against the Orange and Alexandria Railroad Company, the Washington City, Virginia Midland and Great Southern Railroad Company, and sundry other defendants; the object of which is to have a receiver of the Orange and Alexandria railroad appointed, and to subject it to sale to pay the mortgage thereon. The plaintiff in this case is not a party to the suit in which the Circuit Court of Alexandria entered a decree for the sale of the Washington City, Virginia Midland and Great Southern Railroad, which embraces all of the property of the Old Orange and Alexandria railroad, and claims that he is not bound by that decree and is entitled to have the specific property mortgaged to secure his debt sold and the proceeds applied to its payment. It is not improbable that some very grave questions of State and Federal jurisdiction may arise, which will give trouble to parties interested in the settlement of railroad financial troubles. The subpoenas issued under Mr. Wilson's bill are made returnable to the 1st of February next.

THE LATE DR. WM. GUNTON.—The funeral of the late Dr. Wm. Gunton took place from the First Presbyterian Church, on Four and a half street, Washington, yesterday morning, Rev. Byron Sunderland, the pastor, officiating. The church was crowded with the leading business men of the District and their families, desirous of paying their last tribute to their esteemed associate. The only society present was that of the Oldest Inhabitants, who escorted the remains from the house to the burial place. Dr. Gunton was President of the Bank of Washington, and one of the oldest citizens, having reached nearly ninety years of age. Doctor G. arrived in Alexandria on board the ship William & John on the 18th of October, 1807, having made the passage from Liverpool in the then short time of 87 days, including two weeks occupied in getting up the bay and Potomac river. After taking tea with the father of our late esteemed townsman, Mr. J. B. Watkins, he proceeded to Georgetown, in Capt. McPherson's packet boat then running to that city. Dr. Gunton, by his business capacity and investments, has left a large fortune, and has outlived most of his children. A very interesting sketch of his life was prepared in 1878 by his pastor, Dr. Sunderland.

TELEPHONES.—It will be seen by the notice in today's Gazette that Mr. Gentry, the agent of the Bell Telephone Company, is about to introduce the telephone into this city. Already a number of our citizens have subscribed to, and will introduce this great invention into their places of business. Wherever telephones have been used, the cheapness of communication and the ease with which they are operated has made them almost a necessity, and in this instance, where direct communication is had with Washington, the convenience is almost incalculable. Mr. Gentry has succeeded in arranging to have these instruments put up at the price paid in the large Northern cities. In order to facilitate the immediate introduction of the telephones, those who intend to subscribe should do so immediately so that the first order for instruments can supply all who have or wish to use them, and that all may be accommodated at once.

POLICE ARRESTS.—The following cases were cleared up by police headquarters this morning: George Washington, colored, for stealing a blanket and several other articles from the schooner Brunette, lying at the wharf, was ordered to receive thirty days in the city lock. James Phillips for being drunk and disorderly on the streets, was fined \$5 and discharged. Wm. Devellet, a tramp, arrested for vagrancy, was ordered out of the city. Philip Tyler, colored, for vagrancy, was sent to the work house for ninety days. Richard Carter and George Brown, for peeping into a woman's room, were each fined \$5 and discharged. J. T. Crump, charged with grand larceny, was discharged as there was no evidence against him.

YESTERDAY.—The bright, pleasant weather of yesterday had the effect of bringing out large congregations to the several churches. In the First Presbyterian Church Rev. Mr. Whiteley, of Washington, preached both morning and afternoon, and Rev. Dr. Bullock, of Washington, preached the bread of life to the congregation of the Union Presbyterian Church, worshipping in the Hebrew Synagogue, on Washington street. Rev. Mr. Pease, of the M. E. Church of this city, and Rev. Dr. McK. Riley, of Georgetown, exchanged pulpits in the morning. Elder Wm. M. Smoot, to the morning, sermon in the Primitive Baptist Church, on Fairfax street. The other pulpits were filled by the resident clergy. In several of the churches collections were taken up for the Alexandria Infirmary, and in others the congregations were notified that the collections next Sunday would be set apart for the same worthy object. In the afternoon the Friends held a circular meeting in their Meeting House, on South St. Asaph street. At 3 o'clock p. m. a large Gospel Temperance meeting, presided over by Rev. Mr. Pease, was held in the hall of the Alexandria Reform Club, at which Charles Nye, of Washington, delivered an interesting address. Owing to the quantity of ice taken baptizing of colored people, announced to take place in the river, off Battery Rodgers, was postponed until the first Sunday in the new year, which is regarded as a more appropriate time to start out in the Christian life.

ELECTION OF OFFICERS.—At a regular meeting of Mount Vernon Lodge, No. 259, I. O. B. B., held last night, the following officers were elected to serve for the ensuing term: President, H. Schwarz; Vice President, S. Wolf; Treasurer, M. Rubin; Secretary, H. Schloss; I. G. S. Barabheim; O. G. L. Bandheim; Board of Trustees, I. Eichberg, E. Goldsmith, Joseph Kaufman, M. Bandheim and J. Brown. H. Schloss, I. Schwarz and M. Bandheim, were elected delegates to the Grand Lodge, which meets in Baltimore sometime in January next. The above officers will be installed by S. Bandheim at the next regular meeting of the Lodge, January 21.

The pupils of Washington School No. 1, 6th grade, have organized a Literary Society, by the election of the following officers: M. R. O'Sullivan, President; Edw. Hantzman, Vice-President; Peter Lipson, Recording Secretary; J. A. Field, Financial Secretary; David A. Brown, Assistant Secretary; Geo. Woolf, Treasurer; J. T. Ryan, Librarian; R. L. Smith, Sergeant-at-arms.

COLORADO MASONS.—At the meeting of the Grand Royal Arch Chapter, of colored Masons in Virginia, on Friday night last, the following officers were elected and installed: Grand High Priest, Simon Tancil, of Alexandria; D. G. H. P., Lewis Braxton, of Richmond; G. King, E. Cole, of Alexandria; G. Chaplain, Thomas H. Lewis, of Richmond; G. Secretary, Hamilton Smith; G. Treasurer, Samuel Keith.

FRIENDS CIRCULAR MEETING.—The circular meeting of the Society of Friends, at their meeting house, on South St. Asaph street, yesterday afternoon was largely attended. Interesting addresses were delivered by Mr. Hatten, of Ohio; Wm. Wilson, of Waterford, and Jesse Wilcox, of London.

NO EVIDENCE AGAINST HIM.—James T. Crump, committed to jail Saturday night last on the charge of stealing thirty-two dollars from the person of Frank Walker, for further examination, was taken before the Mayor this morning, and after a thorough investigation of the case, the accused was discharged, as there was not the slightest evidence to connect him with the robbery.

POUND PARTY.—Read the notice of the Ladies' Union Relief in behalf of the poor of the city. No appeal could be made stronger, and we hope it will be heeded by all who can give a pound or more.

LOCAL BRIEFS.—The jangling of sleigh bells was heard to day for the first time this season.

The Reform Club room will be opened at 12 o'clock on Friday and kept open until Christmas night at 12 o'clock during which time a free lunch will be served to all who call.

Twenty-five car loads of cattle, collected from along the line of the Virginia Midland railroad, passed through here Saturday night, over that road, for Baltimore.

A heavy snow storm from the northwest set in about 11 o'clock this morning and continued all day, covering the ground to the depth of several inches. The thermometer has registered about thirty degrees above zero.

Intelligence was received here to-day of the extreme illness of Col. O. E. Sauts, formerly of this city, late now agent of the Virginia Midland railroad at Rockmount, Franklin county, Va. No hopes are entertained of the Colonel's recovery.

The Assistant General Superintendent New York Post Office, Wm. H. Waring, Esq., says: St. Jacobs Oil has proved equal to all that is claimed for it and been found efficacious. Ready relief for Rheumatic complaints.
